

Grand Mark Homes, LLC Dba Grand Mark Construction

Summary

Grand Mark Custom Homes, LLC was formed in 2008 by two principals, Mark Halanski and Seth Lincoln. The DBA/Grand Mark Construction was added in 2011. In December 2013 Mr. Halanski took over ownership of the company. Mr. Halanski and Mr. Lincoln have worked together on numerous projects together over a 25 year span and Mr. Lincoln continues to consult for the company.

Background

Land development, single and multi- family, commercial construction. Over 5000 real estate transactions totaling approximately 5 billion dollars. Major market areas are primarily Houston Texas but include Corpus Christi Texas, Beaumont Texas, Biloxi and Gulfport Mississippi and Des Moines Iowa.

Qualifications

Strong background in all facets of construction including design, takeoff, purchase systems, material control, job costing, multi-project site management, banking and financial cash flow of projects, contract negotiation and execution and internal control. These qualifications allow us to serve our customers with full knowledge and exceptional value that save project time and material cost.
